## 3. Purpose and Background of the Agreement

### 3.1. Background

- 3.1.1. ACRO is a national police unit under the NPCC working for safer communities. ACRO is the national police unit responsible for exchanging criminal conviction information between the UK and other countries. ACRO provides access to information held on the PNC to support the criminal justice work of some non-police prosecuting agencies; and assist safeguarding processes conducted by relevant agencies.
- 3.1.2. HMPPS carry out sentences given by the courts, in custody and the community, and rehabilitate those in its care through education and employment. As such, HMPPS falls under the Exemption Order and is exempt from the Rehabilitation of Offenders Act 1974 (as amended), and can therefore check all those applying to work for the organisation, for staff and contractors, for all spent and unspent convictions, to consider and manage any risks which may come to light through this. This is vital, especially in the operational world, where such staff have direct contact with offenders in HMPPS care. The checks conducted by ACRO are supplementary to those obtained from the Disclosure and Barring Service and are not intended to replace them.
- 3.1.3. HMPPS-ACT will investigate all cases of suspected fraud, criminal offences committed whilst in custody. These will be followed up with relevant police colleagues and the CPS under the existing crime in prison protocol between HMPPS, NPCC and CPS. HMPPS does not prosecute directly, but separately carries out sentences given by the courts, in custody and the community, and rehabilitates people in its care through education and employment.

### 3.2. Purpose

- 3.2.1. This Agreement sets out the framework for the sharing of Personal Data when one Controller discloses Personal Data to another Controller. It defines the principles and procedures that the parties shall adhere to and the responsibilities the parties owe to each other.
- 3.2.2. The purpose of this Agreement is to formalise the arrangements for the ACRO Criminal Records Office (ACRO), acting on behalf of UK police forces that are subject to the ACRO collaboration agreement, to provide HMPPS with access to relevant information held on the PNC, specifically convictions, adult cautions, youth cautions, reprimands and final warnings for a policing purpose in relation to investigations carried out by HMPPS. ACRO will provide the necessary information to HMPPS via their appointed internal data processor, the Approvals and Compliance Team (ACT).
- 3.2.3. Due to operational demands, HMPPS use ACRO to supplement DBS checks where it would compromise operational safety and stability in prisons not to do so. The original service level agreement was drawn up with the help of the Secretary of State for the Home Department to enable HMPPS access to PNC data swiftly. This has contributed to reducing the risk to the organisation and all those we are responsible for, including staff, prisoners and visitors, it is considered business critical to the management of prisons and probation

operations. Even with this provision we are still at business critical levels of appointment to some prisons and probation settings.

3.2.4. In addition, this Agreement formalises the arrangements for HMPPS to request criminal conviction information held outside of the UK via ACRO when there is a lawful basis to do so.

3.2.5. This Agreement will be used to assist in ensuring that:

- Information is shared in a secure, confidential manner with designated points of contact
- Information is shared only on a 'need to know' basis
- There are clear procedures to be followed with regard to information sharing
- Information will only be used for the reason(s) it has been obtained
- Data quality is maintained and errors are rectified without undue delay
- Lawful and necessary reuse does not compromise either party, and
- Subject information rights are observed without undue prejudice to the lawful purpose of either party

Lawful intrusion by the police service requires proportionate use of personal data for any of the policing purposes.

### **4.5. Common Law Duty of Confidentiality**

4.5.1. This Agreement takes into account the common law duty of confidentiality which applies where information has a necessary quality of confidence or where information is imparted in circumstances giving rise to an obligation of confidence that is either explicit or implied.   - If there is no home address present, the most recent 'no fixed abode' address type will be used,
  - If neither of the above address types are present, the most recent 'Other' address is printed.

5.1.3. In the event that no convictions are found on the PNC or the subject of the enquiry is 'No Trace', a response stating 'no relevant information held on PNC in relation to the subject of your enquiry' will be sent to the HMPPS. This response will also indicate that in the absence of fingerprints the identity of the subject cannot be verified. Similar wording will apply to 'Trace' returns i.e. when a record is found and a PNC print provided.

5.1.4. The HMPPS-ACT caseworker will review all referred information and may ask for additional information to aid decision making.

### 5.2. PNC Searches

This additional information will be used to confirm identity and is of particular value where the name or other personal details are identical on the PNC.
- 5.3.2. It is not necessary to obtain the additional information as a matter of course particularly if it is not currently recorded as part of the HMPPS-ACT normal administrative procedures.
- 5.3.3. If required, ACRO will seek additional information from the HMPPS to verify the identity of the subject of the request via the following secure HMPPS-ACT mailbox:

- 5.3.4. No other mailbox is to be used unless this Agreement is updated to reflect a change of 'nominated' point of contact for the HMPPS-ACT.
- 5.3.5. Where appropriate, the HMPPS-ACT will make contact with the subject of the enquiry to seek the additional information required by ACRO.

### 5.4 Contingency Backup

- 5.4.1 In an event where HMPPS require ACRO to provide a contingency service for PNC requirements, discussion must be had, prior to any checks, in order to establish volumes and expected turnaround times. This is necessary in order to ensure ACRO can provide the required service and cope with the demand.

## 6. Submission

## 7. Provision of Information

### 7.1. Response to a PNC 'Names' Search

7.1.1. In response to a formal application, written or verbal, ACRO will provide a Disclosure Print to the HMPPS-ACT with the following information derived from the PNC in response to applications made in accordance with this Agreement:

Forces may apply their own charges in respect of any information they disclose.

Each party will determine and maintain their own retention schedule.

## **10. Information Management**

### **10.1. Accuracy of Personal Data**

10.1.1. The parties will take every reasonable step to ensure that personal data that is inaccurate, having regard to the purpose for which it is processed, is erased or rectified without delay and will notify the partners to this agreement of the erasure or rectification.

10.1.2. Where a partner rectifies personal data, it must notify any competent authority from which the inaccurate personal data originated, and should notify any other data of the correction, unless a compelling reason for not doing so exists.

10.1.3. It is the responsibility of all parties to ensure that the information is of sufficient quality for its intended purpose, bearing in mind accuracy, validity, reliability, timeliness, relevance and completeness.

### **10.2. Accuracy Disputes**

10.2.1. Should the validity of the information disclosed be disputed by the HMPPS-ACT or a third party, the HMPPS-ACT will contact ACRO to determine a suitable method to resolve the dispute.

### **10.3. Turnaround**

10.3.1. This Agreement requires a 4 business day turnaround on all cases submitted to ACRO except international requests – see section 8 and/or where ACRO requires further information from the HMPPS-ACT to make a positive match. In these circumstances, ACRO will process the enquiry when the required information has been supplied by the HMPPS-ACT.

10.3.2. Turnaround times do not include the day a request is received or the day a response is returned to HMPPS.

10.3.3. Responses to requests for additional information must be made by the HMPPS-ACT within 10 working days. If ACRO do not receive the information, the request will be closed.

10.3.4. Information will be exchanged without undue delay. In the event of a delay outside of either parties' control, this will be informed to the other party as soon as practical.

10.3.5. An exception to the 4 business day turnaround are those occasions where the conviction data is held on microfiche in the national police microfiche library at Hendon. In these cases, ACRO will provide a response when the required information has been supplied by the custodians of the microfiche.

10.3.6. In some circumstances the HMPPS-ACT may require information urgently, for example, due to ongoing court proceedings. In these circumstances ACRO will endeavour to complete the check more quickly as agreed with the HMPPS-ACT. Such requests will be treated as an exception, and will be considered on a case by case basis.

10.3.7. In this Agreement, "4 day turnaround" means 4 business days and in this regard it should be noted that normal business for ACRO hours are 9:00am to 5:00pm Monday to Friday on a day, that is not a public holiday. An 'Out of hours' service is not covered by this agreement.

11.2.4. The parties agree to respond to any generally available non-binding mediation procedure initiated by a data subject or by the Supervisory Authority. If they do participate in the proceedings, the parties may elect to do so remotely (such as by telephone or other electronic means). 11.2.5. All security incidents and breaches involving police data shared under this agreement must be reported immediately to the SPOCs designated in this agreement.

## 12. Information Rights

### 12.1. Freedom of Information Act 2000

12.1.1. Where a party to this agreement is subject to the requirements of the Freedom of Information Act 2000 (FOIA) and the Environmental Information Regulations 2004 (EIR) all parties shall assist and co-operate with the other to enable the other party to comply with its obligations under FOIA and the EIR. This is in line with the requirements laid out in the Lord Chancellor's Code of Practice issued under section 45 of FOIA.

12.1.2. Where a party receives a request for information in relation to the information which it received from another party, it shall (and shall procure that its sub-contractors shall):

- Contact the other party within two working days after receipt and in any event within two working days receiving a Request for Information;
- The originating authority will provide all necessary assistance as reasonably requested by the party to enable the other party to respond to a request for Information within the time for compliance set out in Section 10 of the FOIA or Regulation 5 of the EIR.

12.1.3. On receipt of a request made under the provisions of the Freedom of Information Act 2000 in respect of information provided by or relating to the information provided by ACRO, the HMPPS representative is to ascertain whether the NPCC wishes to propose the engagement of any exemptions via the NPCC FOI mailbox:

[npcc.foi.request@cru.pnn.police.uk](mailto:npcc.foi.request@cru.pnn.police.uk)

12.1.4. The decision as to whether to disclose the information remains with HMPPS-ACT, but will be made with reference to any proposals made by the NPCC.

### 12.2. Data Subject Information Rights

12.2.1. For the purpose of either party handling information rights under Chapter III of both the DPA 2018 and UK GDPR, it is necessary to ensure neither party causes prejudice to the unlawful activity of the other by releasing personal data disclosed by one party to the other, or indication by the method or content of their response that such data exists. The parties agree that consultation between the parties is necessary to identify relevant prejudice and ensure it is both substantial and proportionate to the exemption which is to be applied.

12.2.2. A relevant request requiring consultation includes those requests exercised under the rights to access, erasure, rectification, restriction or objection which requires consideration of data provide to one party by the other.

12.2.3. Consultation will occur without undue delay and no later than 72 hours after identification of the relevant request.

12.2.4. Where the HMPPS-ACT receives a relevant request, the HMPPS representative is to contact the ACRO Data Protection Officer at: [dataprotectionofficer@acro.pnn.police.uk](mailto:dataprotectionofficer@acro.pnn.police.uk) to ascertain whether ACRO wishes to propose to the HMPPS that they apply any relevant exemptions when responding to the applicant.

12.2.5. Where ACRO receives a relevant request, the NPCC Data Protection Officer is to contact the HMPPS-ACT representatives to ascertain whether the HMPPS-ACT wishes to propose to ACRO that they apply any relevant exemptions prior to responding to the applicant.

12.2.6. Both parties will otherwise handle such requests in accordance with the DPA 2018 and UK GDPR.

### **12.3. Fair processing and privacy notices**

12.3.1. Each partner will take all reasonable steps to comply with the obligation to notify the data subject of the processing activity, unless an exemption applies.

12.3.2. ACRO will maintain a general notice, describing the mandatory privacy information at Articles 13 and 14 of UK GDPR and s44(1) and (2) DPA 2018. ACRO will not contact the data subjects directly with this privacy information on the basis that HMPPS has already taken steps to inform the individual, or has exercised an appropriate exemption to article 13 or 14, or exercised an exemption at s44(4) DPA 2018.

12.3.3. HMPPS will take all reasonable steps to inform the data subject that checks will be conducted through ACRO, except where doing so would prejudice the purpose of the check in a way which would allow use of an exemption to this obligation. Where HMPPS does not provide this information to the data subject, ACRO agrees to rely upon the correct use of an exemption by HMPPS and will not contact the data subject to avoid the same prejudice.

## **13. Reuse of Personal Data Disclosed under this Agreement**

13.1. Personal data shall be collected for the specified, explicit and legitimate purposes stated in this document and cannot be further processed in a manner that is incompatible with those purposes without the written consent of the party that provided the information in the first instance, unless required to by law.
