FREEDOM OF INFORMATION REQUEST REFERENCE NUMBER: 048/2023

Thank you for your request for information regarding Humberside FOI statistics, which has now been considered.

Applicant Question:

Would you please provide me with all the following information with regards to the Humberside Police force in relation to FOIR from January 2019 to the present date?

1. Timeliness rate:
2. Pipeline rate:
3. Pipeline overdue:
4. Pipeline ratio:

Clarification (13/02/2023):

To clarify I would be most grateful if you could send me all the information that has been set out in the attached document the NPCC sent. The Police force that I seek the information about is the Humberside police force as I understand that these figures are set to the NPCC.

NPCC Response:

The NPCC does hold recorded information captured by your request.

I have attached the statistics to this response letter.

For clarity, the top table relates to a period when the statistics were collated quarterly and the data request was worded slightly differently. This is relevant to quarter 1 and 2 of January 2019 only. July and August 2019 data was not collected from forces in anticipation of the change to monthly recording, which started in September 2019. The shaded pink areas are where we do not hold data from Humberside.

Yours sincerely

Fiona Greenlees
