Dear All,

The following FOI request has been logged in the CRU. **Advice is at the end of the message.**

Case worker: S.40(2)
Logged with: Durham Constabulary
Sent from: S.40(2)

1. Could you please provide the total number of police officers/PCSOs in your force as at 1 April for as many financial years as possible within cost limits but at least since 2010

2. Could you please provide the total number of police officers/PCSOs designated as "foot patrol" officers (or posted to a neighbourhood team/who conducted neighbourhood police patrols) for those same financial years but at least since 2010

3. Could you please provide a breakdown of the ranks for the aforementioned "foot patrol" police officers/PCSOs for each of those financial years

Could you please send the requested information in a spreadsheet/Excel/.xlsx file/.csv file

Advice

You can provide the answer for question 1 – but you do not need to work up to the cost limit therefore if in cost, then you should do this up to 2010.

Questions 2-4 you will not hold – as you will not record how many officers and PCSOs are designated as 'foot patrol'. This information is not collated. You may be able to advise how many NPT officers/ PCSO's you have across the force however other officers may have conducted foot patrols but would not be centrally recorded.

Therefore question 2-4 would be no information held but you can advise on numbers of NPT with a caveat to state that all officers will conduct some form of foot patrols dependant on the operation requirements.

Kind regards
