Dear All,

The following FOI request has been logged in the CRU. Advice is at the end of the message.

Log Number:000681/18

Case worker: S.40(2)

Logged with:Staffordshire Police

Sent from: S.40(2)

Copies of all internal and external correspondence whether it be written or electronic (including emails, letters and minutes and/or records of meetings) since February 2017 concerning the decision to review the Kevin Nunes murder case by another police force (as referenced in the press release included in this email)

From force - As this case has now been referred for a full review [to Merseyside Police], should I be considering S.30 as the review may result in a further criminal investigation?

Many thousands of emails. We are currently looking at ways to examine/analyse the documents to see if this request could be serviced within the time & cost threshold.

Advice:

From the further information you have provided above, this sounds like it may be S12 excess cost, as in order to retrieve the email specifically in relation to reviewing the case, would involve a manual search of thousands of emails etc. This should be your first consideration.

If cost is not a factor, and as this investigation is under review, S30(1)(a) Investigations, should be applied.

If you require any further assistance please contact us,

Kind regards

S.40(2)
