FREEDOM OF INFORMATION REQUEST REFERENCE NUMBER: 2945/2026

Thank you for your request for information regarding NPCC Freedom of Information (FOI) statistics, which has now been considered.

Applicant Question:

In light of the section 16 advice and assistance provided, please refine my request so that it reads:

“Using records held on the new NPFDU database, please provide the number of requests received by the NPCC for the full year ending 31 March 2026.

Of those requests, how many received a response to the request (not the acknowledgement) within:

5 working days
10 working days
15 working days.”

NPCC Response:

The NPCC does hold information captured by your request.

I can confirm that records retrieved from the NPFDU database for the year ending 31/03/2026, show that the NPCC received 595 FOI requests.

Of those the below amounts were responded to in:

5 working days – 160
10 working days – 243
15 working days - 341

Yours sincerely

COMPLAINT RIGHTS

Internal Review

Any request for an internal review will be acknowledged and responded to, based on the specific wording of your initial request only.

We ask that any rationale to request an internal review, does not include any requests for new information and ask that these be submitted by separate email. We will acknowledge as a new request and may aggregate to your initial request in compliance with the legislation.

If you are dissatisfied with the response you have been provided with in compliance with the Freedom of Information legislation, you can lodge a complaint with NPCC to have the decision reviewed within 40 working days of the date of this response.

The handling of your request will be looked at by someone independent of the original decision and a fresh response provided.

It would be helpful, if requesting a review, for you to articulate in detail the reasons you are not satisfied with this reply.

If you would like to request a review, please write or send an email to NPCC Freedom of Information, c/o PO Box 481, Fareham, Hampshire, PO14 9FS.
