FREEDOM OF INFORMATION REQUEST REFERENCE NUMBER: 2830/2026

Thank you for your request for information regarding NPCC published expenses, which has now been considered.

Applicant Question:

Thank you for providing access to your organisation's expenditure, found here: <https://www.npcc.police.uk/About-Us/governance-and-accountability/spending/>

However, I noticed the file for 2025/26 Q3 spend features dates up to September 2025 only. Please can you confirm if this is the correct data for the Q3, and if it is not, please could I request access to the complete data.

NPCC Response:

The NPCC does hold information within the scope of your request.

Following your enquiry, checks were undertaken with the information owner responsible for the publication of expenditure data. These checks identified that the file published on the NPCC website for 2025/26 Quarter 3 expenditure was uploaded in error and contained Quarter 2 data due to a version control issue.

The attachment provided with this response contains the correct and complete expenditure data for 2025/26 Quarter 3, which is the information captured by your request.

This information is provided in full.

Yours sincerely
Freedom of Information Officer & Decision Maker
