**FREEDOM OF INFORMATION REQUEST REFERENCE NUMBER: 055/2023**

Thank you for your request for information regarding a Data Protection Impact Assessment; which has now been considered.

**Applicant Question:**

Under the Freedom of Information act I would like to request a copy of the Data Protection Impact Assessment for the processing of police employee HR data via PND as per the Home Secretary's request. My understanding is that a national DPIA is in progress, and will be signed by yourselves.

**NPCC Response:**

The NPCC does hold information captured by your request.

I have pleasure in providing to you, the Data Protection Impact Assessment Screening Checklist & Template for Historical Data Wash of police officers, police staff, special constables and volunteers using the Police National Database (PND).

I wish to stress that this information was held and captured at the time of your request. It is a living document and disseminated to all police forces.

In wishing to be fully transparent, I am aware that work is ongoing following feedback to amend the document and therefore, future iterations of the attached document are expected. All forces are encouraged to amend the document to suit their local needs.

Yours sincerely

**Sherry Traquair**
